

BARREL GRIP PENDANT

A-BARREL-GRIP-5M

A 5 meter length of the Barrel Grip has been introduced to the Safe- Life range by popular demand and has become as popular as its 3 meter predecessor.

With a low profile, right angle plug, the Barrel grip is robust therefore resistant to breakage.

The Barrel grip is compatible with most brands of nurse call system. If you are unsure you are most certainly welcome to contact Safe- life by phone.

Accessories can be purchased for the barrel grip such as the dual adapter and the triple adapter.

The Barrel grip is made of Hospital grade material which therefore allows for it to be surface cleaned using standard cleaning solutions.
