most versatile
product to date!*

A-IBEAM-EZYSTAND
EzyStand

2721 iBeam

Low Cost

Easy to Install

Configurable

- Wide compatibility with other cura¹ wireless devices such as the 3501 Caregiver Pager.
- Can be installed adjacent to a bed or chair, or across a doorway.
- Detects movement.
- Narrow detection zone reduces false alarms.
- On / Off switch to conserve battery life when not in use.
- Mounting hardware included.
- EzyStand is height-adjustable and comes with cable clips for an optional plug pack.

2721 iBeam

Across a door, stairs or by a pool, there are countless ways that our iBeam can be used to protect those in your care and to make the job of being a caregiver easier.

With our sturdy, adjustable-height EzyStand, precise positioning of the iBeam could not be simpler.

iBeam positioned
so that outstretched
legs do not trigger
an alarm.

A narrow beam means that a patient can move in their bed without triggering an alarm.
